Please complete in **BLOCK capitals**.

Dear Neighbour,

Following a number of recent **break-ins** on the estate, would you be interested in joining a **community and neighbourhood watch group**? This is to **complement** rather than replace existing groups.

What could we create for our estate?

- Different communication methods (e.g. WhatsApp groups, websites).
- Rapid alerts and reporting of incidents on the estate.
- Recommendation of local businesses and skill sharing.
- Organisation of community events.
- A group focused on keeping our neighbourhood clean, safe and tidy.
- Encourage neighbourly support for those who don't use mobile technology.

Key advantages:

- It won't cost you anything!
- Information and knowledge shared between all streets.
- Registration with Neighbourhood Watch including signage.
- Greater representation with local police (e.g. security and speeding).
- Collective representation when dealing with estate-wide issues.
- A better connected community and a sense of looking out for each other.

If you wish to join this group, please complete our online questionnaire, either by scanning the QR code or using the link below:
